

## **Abigail Rudner's Resume**

### **June 18, 2008**

Abigail Rudner is a dynamic educator and designer who inspires and teaches students how to design and produce purposefully using a synthesis of design methodology, visual thinking and computer graphics tools and techniques.

Abigail authored Fireworks MX Fundamentals, (New Riders Publishing) and Dreamweaver H.O.T training, with Garo Green (Peach Pit Press), as well as several movie based tutorials for [www.Lynda.com](http://www.Lynda.com).

Abigail is a graduate of Parsons School of Design with a BFA in Communication Design and Photography, a certified trainer (via the Chauncey Group International), and an Adobe Certified Product Expert for Flash, Dreamweaver, and Fireworks 8.

Abigail teaches custom web design, web graphics, illustration, and photo illustration courses with love and enthusiasm across the U.S.A..

As principle creative of Rudner Design Works, she produces design and illustrative content for wide range of Multimedia and Print projects.

Areas of expertise include: interface, web and icon design, photo illustration, animation, and editorial illustration, environmental graphics, set design, mural design and painting.

Clients include: Peoplesoft, Wall Street Journal, Noika, Absolute Vodka, The SYDA Foundation, Amgen, Apple Computers, Microsoft, FAD and Publish! Magazines.
